and Rumania were recognized. It is de-sirable to recall the words used on this cal unity of Poland. They do not consti-ted unity of Poland. They do not consti-tute any recognition of the Jews as a separate political community within the separate political community within the separate political community within the the same civil and political rights with-out distinction as to race, language or Cites Berlin Precedent.

Premier Clemenceau here quoted from Lord Salisbury, William Henry Waddington, French plenipotentiary at the Berlin congress; Prince Bismarck, Count de Launay, Italian plenipotentiary, which children shall be brought up in the religious influences to which they home. Ample

"2. The principal allied and associated Powers are of the opinion that they would be false to the responsibility which rests doon them if on this occasion they departed from what has become an established tradition. In this connection the responsibility which rests doon them if on this occasion they departed from what has become an established tradition. In this connection the responsibility which rests door the responsibility which rests do not prevent the Polish State from making the rest of the rest of

and due form, have agreed as follows :

Chapter I.

"Article 1-Poland undertakes that the stipulations contained in Articles 2 and 8 of this chapter shall be recognized and s of this chapter shall be recognised as fundamental law, and that no law, regulation or official action shall conflict or interfere with these stipulations, nor shall any law, regulation or official ac-

shall any law, regulation of olicial action prevail over them.

"Article 2—Poland undertakes to assure full and complete protection of life and liberty to all inhabitants of Poland, without distinction of birth, nationality, language, race or religion. All inhabitants of Poland shall be entitled to the tants of Poland shall be entitled to the free exercise, whether public or private, of any creed, religion or belief, whose practices are not inconsistent with public order or mubile propriate. lie order or public morals.

Settling Nationals' Status.

"Article 3-Poland admits and de-"Article 3—Poland admits and de-clares to be Polish nationals ipso factor Hungarian or Russian nationals habitu-ally resident, at the date of the comings into force of the present treaty, in terri-tory which is or may be recognized as forming part of Poland under the treatles with Germany, Austria, Hungary or Pursian samestically but subject to any Russia, respectively, but subject to any of their respective territories. "Consul-Generals, Consuls, Vice-Conpersons who became resident in such suls and Consular agents, however, shall

"Nevertheless, the persons referred to above who are over 18 years of age will be entitled under the conditions contained in the said treaties to opt for any other nationality which may be open to them. Option by a husband will cover this wife and option by parents will impunities of consular agents, however, shall not enter upon their duties until they have been admitted in usual manner by the Government in the territory of which they are stationed. "Consul-Generals, Consuls, Vice-Consuls and Consular agents shall enjoy all the facilities, privileges, exemptions and impunities of consular agents, however, shall not enter upon their duties until they have been admitted in usual manner by the Government in the territory of which they are stationed.

and associated Powers in this matter I intention of basing their institutions of explaining in a more formal manner than has hitherto been employed the conditions by which the principal ailled and associated principal ailled and associated Powers have been guided in dealing with the question.

"I. In the first place, I would paint out that this treaty does not constitute any fresh departure. It has for long beet, the established probedure of the public law of Europe that when a State is created, or even when large accessions of territory are made to an established probedure of the great Powers should be accompanied by the requirements that such state should in the form of a binding international convention, undertake to comply with certain principles of government. This principle, for which there are numerous other precedents, received the most explicit sanction when as the last great assembly of European Powers—the congress at Berlin—the sovereignty and independence of Serbia, Montenegro "Nevertheless within two years after

Polish nationals.

practice ineffective, and it was also open to the criticism that it might give to the great Powers, either individually or in combination, a right to interfere in the internal constitutions, the other states affected which could be used for political purposes.

"Under the new system the guarantee is entrusted to the League of Nations. The clauses dealing with this guarantee is entrusted to the League of Nations. The clauses dealing with this guarantee in any way under the tutielse of itoes. Powers who are signatories to the internal constitution of the Poland, does not be rought before the court of the League of Nations. In the treaty by which disputes arising out of its provision may be brought before the court of the League of Nations. The polatical court, and it is hoped that thereby an impartial decision will be facilitated, while at the same time any danger of political interferences by the Powers in the internal affairs of Poland will be asked to adhere differ to some ex-

thereupon take such action and give such direction as it may deem proper and effective in the circumstances.

and effective in the circumstances.

"Poland further agrees that any difference of opinion as to question of law
or fact arising out of these driticles, between the Polish Government and any of the principal allied and associated Powers, or any others Powers, it mem-ber of the Council of the League of Nations, shall be held to be a dispute of an international character under Article 14 of the covenant of the League of Nations. The Polish Government hereby consents that any such dispute shall, if the other party thereof demands, be referred to the permanent Court of Inter-
